

# WOUND CARE AWARENESS

Educating people about advanced wound care to heal and change lives

**6.7 MILLION** Americans are living with a chronic, non-healing wound

25% of people living with diabetes will **EXPERIENCE A FOOT ULCER**

Annually, chronic wounds have a **\$50 BILLION** impact on the healthcare system

People living with limb loss are more likely to experience **DECREASED LIFE SATISFACTION**

## Who could be affected?

Be aware. Intervene early. Seek advanced wound care.
