

GOVERNOR DOUGLAS A. DUCEY

STATE OF ARIZONA
★
PROCLAMATION

WHEREAS, it is estimated that 6.7 million people currently live with chronic wounds and that number is expected to grow at more than two percent annually for the next decade. The rising incidence is fueled by an aging population and increasing rates of diseases and conditions such as diabetes, obesity, and the late effects of radiation therapy; and

WHEREAS, untreated chronic wounds can lead to diminished quality of life and possibly amputation of the affected limb. The chronic wound epidemic represents a cost of more than \$50 billion to the healthcare system; and

WHEREAS, more than 30.3 million people (9.4% percent of population) have diabetes in the United States (US) and almost two million of those people will develop a diabetic foot ulcer or other non-healing wound. Advanced wound care aims to prevent amputations and heal patients in a faster and more cost-effective way; and

WHEREAS, advanced wound care physicians and health care providers take great pride in caring for their patients, and seeing their patients succeed; and

WHEREAS, awareness and education about chronic wounds will benefit current and future chronic wound patients. The goal of Wound Care Awareness Week is to inform patients, their families, community physicians, and the general public about the importance of advanced wound care and its ability to save lives and limbs.

NOW, THEREFORE, I, Douglas A. Ducey, Governor of the State of Arizona, do hereby proclaim June 3 – 7, 2019, as

WOUND CARE AWARENESS WEEK

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Arizona

Douglas A. Ducey
GOVERNOR

DONE at the Capitol in Phoenix on ninth day of May in the year Two Thousand and Nineteen and of the Independence of the United States of America the Two Hundred and Forty-Third.

ATTEST:
