Come Heal with Us

PATIENTS

Nearly **7M** Americans are living with chronic or non-healing wounds. **1 in 4** families has a family member with a chronic wound. Caregivers are essential partners in the plan of care for patients.

Of the **37M** Americans living with diabetes, up to **25%** will develop a foot ulcer.

20% of the new patients seen at a Wound Care Center® are new to the hospital system. Patient access to the hospital improves when our center teams drive awareness to people with chronic wounds.

HOSPITALS

We have over **600** world-class Wound Care Centers® nationwide helping hospitals face the challenges of advanced wound care treatments for over **25 years**.

Over **200,000** providers nationwide have entrusted their patient's care with our Wound Care Centers®.

PROVIDERS

With a network of nearly **300** Healogics Specialty Physicians® and about **4,000** affiliated providers that demonstrate quality care, our Patient Satisfaction Rate is **95%**.

We have nearly **3,000** team members across the country. We view our patients and team members as people first.

TEAM MEMBERS

Healogics® is a **People-first, Patient-centered** company, helping people heal by listening like friends, caring like family, and following through as dedicated members of their care team.
